EPA MOMENTS

FROM THE HEAD OF SCHOOL

Dear EPA Community,

It has been wonderful to welcome our students back for a new school year. Over the past several weeks, I have been encouraged by the energy, curiosity, and enthusiasm our students have brought to campus.

Thank you to our faculty, staff, students, and families for helping us begin the year on such a positive note. I am excited to see our students continue to grow, explore new interests, and make the most of the opportunities ahead.

We look forward to a meaningful and inspiring year together.

Warmly,

Yi Qian
Head of School

A STRONG START TO THE SCHOOL YEAR

The first weeks of the school year have been full of activity at EPA. Track Day is now underway, giving students new opportunities to explore their interests, develop ideas beyond the classroom, and connect with one another. As the school year settles into its rhythm, we look forward to seeing students continue to learn, grow, and make the most of the opportunities ahead.

A VISIT TO THE ENVIRONMENTAL EDUCATIONAL CENTER

LEARNING BEYOND THE CLASSROOM

EPA students recently visited the Environmental Educational Center, stepping outside the classroom to explore nature and learn more about the environment.
It was a wonderful opportunity to learn, explore, and enjoy time together beyond the classroom!

Taking the stage during the Student Government speeches, students shared their ideas and goals with the school community. It was a great opportunity to express their voices, demonstrate leadership, and take an active role in shaping campus life.

AIM HIGH!

From setup to the first shot! Archery Club members got hands-on assembling and preparing their own equipment before putting their skills to the test. Along the way, they practiced focus, precision, and technique—while enjoying the challenge and fun of learning archery together.

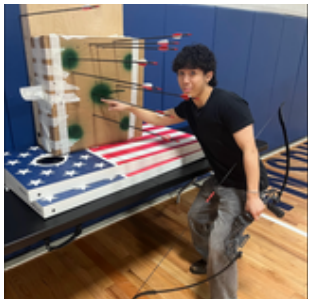

HIKING AT LAWRENCE PARK

A beautiful fall day made the perfect backdrop for a hike at Lawrence Park! Surrounded by autumn scenery, students enjoyed fresh air, exercise, and a relaxing day outdoors with friends.
It was a great way to recharge, connect with nature, and make memories together!
